Dear Prospective Northfield Family:

Please complete the following application (one for each child being enrolled), secure the requested records, and send all materials to us. We will review the documents, arrange an interview time, and inform you of our admission decision as soon as possible.

Tuition for the school year is \$5,000 or a sum determined and agreed upon based on what you can honestly pay in good faith. Tuition covers all expenses except certain special tests. Twelve (12) equal monthly payments from September through August are permitted if made on time and the student remains in good standing; we can also arrange a per trimester payment plan. We depend on and expect you to meet this obligation in a timely manner as agreed.
